

One copy of this agreement will be filled out for each person *receiving* discipline under the Spencer Plan.

Spencer Plan Agreement

"I, _____, partner of _____, do hereby acknowledge that I have read the Spencer Plan and approve of the doctrines it advocates. From this date on it is my wish to have my conduct regulated by the enforcement of these doctrines. I give to my partner, therefore, the full right and permission to spank me whenever they feel such discipline would be helpful and be in accordance with the Spencer Plan.

"This Agreement has been entered into willingly--and for no other purpose than to improve my disposition and secure the general benefit that always comes from the enforcement of intelligent discipline. I understand that I will be spanked without fail if I break my promise to refrain from:

Causes: _____

"I promise to cooperate with my partner faithfully. I will get ready for the punishment promptly when asked to do so and I will bear them absolutely no ill will for so disciplining me.

"I promise further to *ask* for spankings when I feel I need them. I realize that Requested Punishments play a highly important part in the Spencer Plan, and I will report and ask for discipline when I feel I need or deserve it. I further understand and agree that failing to report an offence will result in the most severe consequences.
